This list is comprised of faithful Catholic donors dedicated to the support of the Sisters of St. Francis of Assisi, a community of nuns who devote their lives to teaching at all educational levels, caring for orphans, the blind and children with developmental and emotional disabilities.

The Sisters of St. Francis of Assisi have devoted their lives to work in varied areas of ministry such as pastoral ministers, teachers, social workers, medical professionals, interpreters, administrators, musicians, and other ministries. Many of the "retired Sisters" volunteer their time in a vast array of settings and continue to work as agents of long-term social change. Their combined commitment gives them the ability to create a better world for the people in neighborhoods and communities around the world.
