These Donors have sent contributions to the Archbishop of Durban, South Africa, in response to direct mail appeals for aid in working with children and families in South Africa. Funds have helped the Archbishop to offer aid to disabled children, inoculating children against killing and crippling diseases, feeding programs for children and their families, housing and health care.

These caring Donors are interested in helping to make a difference to both the spiritual and bodily hunger of people in need. Many of them sent their special intentions to be included in a monthly Catholic Mass for mission friends.
