Through the Wiland modeling database, participants in the database can apply their house or prospecting model to the Society of the Little Flower file in order to connect with their ideal donor type for the highest rate of response. This opportunity is open to any non-competitive participants in the Wiland database. This can be utilized for new tests or expansion activity on the file.

The Mission of the Society of the Little Flower is to promote devotion to St. Therese of the Child Jesus, the Carmelite Nun and Doctor of the Church. Through prayers and donations, friends of St. Therese enables Carmelites around the world to make a difference in people's lives through their ministries and in the education of seminarians.

This list should be very responsive to all Catholic devotional appeals and charitable mission-oriented appeals.
