Through the Wiland modeling database, participants in the database can apply their house or prospecting model to the Association of the Miraculous Medal file in order to connect with their ideal donor type for the highest rate of response. This opportunity is open to any non-competitive participants in the Wiland database. This can be utilized for new tests or expansion activity on the file.

The Association of the Miraculous Medal is responsible for providing funds for the Vincentian Priests and Brothers. The Vincentians are active in helping the poorest of the poor in the United States and in third world countries.
